Description The Hilton Los Angeles Airport continues to be recognized as one of the finest hotels in Southern California. This outstanding hotel, preferred by both business and leisure travelers alike, is one of the world's largest airport hotels and conference centers, featuring the amenities, facilities and services of a deluxe property, as well as uncompromising meeting and banquet facilities.

The hotel features a breathtaking lobby, enveloped by exquisite marble and beautiful artwork that would rival most museums, exciting dining opportunities, and completely refurbished guestrooms and floors.

All of our guestrooms, meeting space and public areas have wireless Internet access. Our state-of-the art DS-3 system has increased our bandwidth significantly, and enables our guests to have a seamless connection at the highest speed available.

March, 2002 marked the opening of our new second floor Conference Center, and third floor Gardens. The 25,000 square feet of elegance, sophistication, and flexibility also includes: 30 function rooms; two board rooms; the La Jolla Ballroom; and Business Center. Steps above the Conference Center, is the new Garden which is a perfect place to enjoy coffee breaks, weddings and social events in the warm California sun.
