TEMPO
by Hilton™

DESIGNED *for the* RHYTHM *of* LIFE

Hilton is proud to launch an innovative new hotel brand that will offer ambitious travelers an elevated and uplifting experience within reach. Our thoughtfully designed spaces will inspire guests to look up and take notice.

APPROACHABLE *lifestyle*

Tempo combines thoughtful design and unique brand partnerships with an efficient service model. Targeting suburban-urban and urban markets, Tempo is a “non-prototypical prototype” with a core kit of parts and flexibility in design and execution.

FOR *the* MODERN *achiever*

There's a new and emerging class of traveler – Modern Achievers – who seek out and are willing to pay more for brands that deliver on their needs and reflect their lifestyle. Yet when they travel, hotel brands in their price range leave them underwhelmed, uninspired, and unable to maintain their routines.

ELEVATED *guest* ROOMS

Our guest rooms are designed to be a haven that helps guests unwind and fall asleep faster. The bath suite is bright and spacious with a premium shower and mirror with a built-in Bluetooth speaker. Guests can spread out in the signature **GET READY ZONE**, a flexible space to get organized, fuel up, or get work done.

STYLISH *lobby* SPACES

We've created an inviting, open concept lobby with design features that encourage guests to look up and be inspired by their surroundings. Whether lounging with friends, collaborating with colleagues, or enjoying a cocktail, we have flexible, stylish spaces for guests to enjoy.

FUEL *for* MORNING *and* NIGHT

Guests can start their day at our complimentary, signature coffee **FUEL BAR**, enjoy a delicious café-style breakfast, indulge in a spirited or spirit-free craft cocktail and small plate at our bar, or grab a healthy snack from our curated market. We've created a collective of emerging chefs to dream up fresh, dynamic menus inspired by regional flavors.

POWER UP *and* POWER DOWN

Guests can set their pace in the morning with a suite of inspiring in-room '**POWER UP**' videos and our 1,000SF premium fitness center. When it's time to slow down, they can relax and unplug with a collection of '**POWER DOWN**' content developed in partnership with Thrive Global.
