GENERAL INFORMATION

The Hilton Chicago hotel has achieved an unprecedented fusion of historic luxury and contemporary amenities. When you first step into our magnificent lobby, with its grand scale and splendid detail, you might think you've transported back to the early 20th Century, when great hotels were built with marble and granite, not glass and steel. An ideal location. With our position on renowned Michigan Avenue, virtually everything to see and do in Chicago is only a short walk or cab ride away. Just a few blocks away is LaSalle Street, the heart of the Financial District.

Each of our 1,544 spacious guest rooms provide unrivaled comfort. All are richly appointed with classic cherry furnishings, and many more have two bathrooms, complete with gleaming brass fixtures and exquisite Italian marble. Then there's the Executive Level, a hotel within a hotel, expressing the quintessence of luxury. Here, guests are provided with a lavish array of personalized services plus a separate registration area and private concierge.

A city within a city. With our range of amenities and services, you never have to leave the hotel. Dining options include Kitty O'Sheas, featuring authentic Irish food, spirits, and entertainment and Lakeside Green, an elegant lounge overlooking Michigan Avenue; and the Pavilion, our casual dining establishment located directly across from the Hotel Registration.

FUNCTION SPACE AND BANQUETS

The Hilton Chicago, with over 234,000 square feet of functional meeting, banquet and exhibition space is truly the nation’s premier meeting and convention hotel.

The Grand Ballroom features over 12,000 square feet of uninterrupted space for your main sessions or elegant banquets. Mirrored accents, 34 foot tall ceilings and gorgeous chandeliers highlight this exquisite ballroom.

Adjoining the Grand Ballroom is the International Ballroom, our largest space, which can comfortably accommodate 2,400 guests in theater seating or 1,800 in banquet seating. The four Exhibit Halls can accommodate any trade show or exhibition imaginable. Over 119,000 square feet of dedicated, versatile space is located on one floor and easily accessible by freight elevators for easy loading and unloading.

In 2001, the Northwest Hall was renovated to the tune of $1.8 million. In addition to exhibits, it can also accommodate five separate meeting rooms with pre-function space, registration and catered events. This meeting space is appointed with decorative carpet, painted soffits and neutral patterned wall covering on the partitions, creating a feeling of individual rooms. The lighting allows for dimming of all rooms to accommodate audio-visual presentations along with individual sound systems.

FIRE CODES
The following are a few general regulations that typically fall under local fire authorities’ specifications. They should be considered when planning and coordinating space, decorations, etc., in the ballrooms and meeting rooms, as well as all other applicable laws, codes, and regulations.

Where exits are not immediately accessible from an open floor area, safe and continuous passageways, aisles or corridors shall be maintained leading directly to every exit and shall be so arranged as to provide convenient access for each occupant to at least two exits by separate ways of travel. The aisle needs to be as wide as or wider than the exit to which they are leading.

There will not be any setup permitted in front of any exit doors. Staggering of dining tables is not permitted. All room sets must be in compliance with the local Fire Department regulations pertaining to occupancy load, mandatory aisles and ceiling clearance fire exits. Any event which has vehicle displays, fog machines, fueled cooking demonstrations, laser exhibits (including tabletop) or extensive productions with staging and props must have a certified permit from the local Fire Marshall. All associated fees for permits, floor plan approval and stand-by fire watch are your responsibility and final approved copies must be received at least three days prior to the event.

Every required exit, exit access or exit discharge shall be continuously maintained free of all obstructions or impediments to full instant use of fire or other emergency.

No furnishings, decorations, or other objects shall be placed so as to obstruct exits, access thereto, egress there from, or visibility thereof.

Hangings or draperies shall not be placed over exit doors or otherwise located as to conceal or obscure any exit. Mirrors shall not be placed on exit doors. Mirrors shall not be placed in or adjacent to any exit in such a manner as to confuse the direction of the exit.

No open flame devices shall be used in any meeting rooms. When necessary for ceremonial or religious purposes, the fire marshal having jurisdiction may permit open flame lighting under such restrictions as are necessary to avoid danger of ignition of combustible materials or injury to occupants.

Any furnishings, decorations, and stage settings shall be fire retardant treated and must display certificate of proof. Local fire authorities in advance of event set-up shall approve all extensive production plans.

Distance between tables must be equal to or greater than the required aisle width plus 19” for chairs on one or 38” for chairs on both sides.

It is ultimately the group’s responsibility to ensure that your event complies with all applicable laws, including, but not limited to fire and safety codes, rules and regulations.

GROUP CHECK-IN, ARRIVALS AND DEPARTURES
The 8th Street Entrance has a specially designed group entrance to accommodate the needs of your group. It has a semi covered entrance and ample room for bus loading and unloading. It is also conveniently located near the ballrooms and meeting rooms. This area may be reserved and set up for satellite check-in and convention registration, depending on your arrival pattern.

All coach arrivals will be directed to the group entrance, as the front entrance becomes easily congested and large movements can be more efficiently accommodated at the group entrance.

Your guests will be asked to remit credit or a cash deposit upon arrival for their incidental charges, unless we have agreed to accept a letter of guarantee from your organization, and it is on file at time of check-in.

If your guests are arriving via group transportation and an arrival manifest has been supplied, we will be happy to have all of the rooms assigned in advance and key packets prepared. If your guests will be arriving at scattered times throughout the day with no transportation arrangements made or arrival manifest, we will assign rooms on a first-come, first-serve basis.

HOTEL FACTS/HISTORY
The following is a fact sheet for the Hilton Chicago:

This hotel was destined to be different. From the start, its founding father, James W. Stevens, envisioned a rather ambitious undertaking. His plan was simply this: to create the world’s largest hotel – to build a hotel which would be large enough and capable of providing the world’s most extensive convention facilities for a half century or more.

In May of 1927, Mr. Stevens’ dream became a reality. The Stevens opened its impressive doors…It measured 28 stories, boasted 3,000 luxurious rooms, 5 sub-basements, an 18 hole roof-top golf course with real grass, a three story laundry, its own hospital and a 1,200 seat theatre with “talking motion picture” equipment. Two “Towers” floors were dedicated to some of the most magnificent guest rooms ever created with luxuries and amenities that were to set industry standards for years to come.

Today, Hilton Chicago is one of the best examples of traditional Grand Hotel architecture brought into the best interpretation of contemporary hospitality.

Convenient for delegates to major city-wide conventions, as well as tourists who desire to be amongst the city’s attractions and business travelers who need the access to the bustling commerce of the loop.

HOUSEKEEPING
Daily housekeeping services, which consist of general cleaning, take place between 8:30am and 5:00pm. Should one of your guests require special times of service, requests may be made directly with Housekeeping or your Catering/Events Manager.

The suggested housekeeping gratuity is $1.00 per day. Some groups may have the gratuity rate predetermined in the contract and billed to the master account.
Each guest room is provided with several special service amenities either at no charge or for a nominal fee. These items include: an iron and ironing board, coffee makers, hairdryers, in-room safe, bath/shower amenities, and extra pillows. Additional bedding available for children: cribs and rollaways. Please note there is a maximum of four persons (including children) allowed per room.

IN CONJUNCTION WITH (ICW’S)
Any group hosting an In-Conjunction with Event is solely responsible for all charges and activities. The hosting convention must authorize all arrangements for meeting space, assignments, food, beverage, etc.

Groups meeting in conjunction with a conference, but not part of the official convention program who require meeting space and separate billing, are subject to credit approval. All meeting space, if available, will be at the hotel’s normal prevailing room rental rates and will be subject to the hotel’s standard contract terms and conditions.

A listing of all ICW’s should be sent to the hotel no later than 90 days prior to the actual event, so that they can be individually contacted by the Catering Department to set up food, beverage and billing arrangements.

INDEMNIFICATION
To the extent permitted by law, you agree to protect, indemnify, defend and hold harmless the Hotel, Hilton, and the Owner, and their respective employees and agents against all claims, losses or damages to persons or property, governmental charges or fines, and costs (including reasonable attorney’s fees), arising out of or connected with your function, except those claims arising out of the sole negligence or willful misconduct of the hotel.
